

School Community Council Election for Parent and Community Role Group Representatives in Progress!

A ballot will be sent home with your designated child. Election ballots must be received by the school office by 4:00pm May 11, 2017 Thursday.

The elected individuals will participate on the School Community Council for the 2017-18 school year.

CANDIDATE PROFILE

Parent Candidates

Catherine Aldueso

I have lived in our Mililani community since 1982 and am the grandmother of two students at Mililani Uka. This past year I was on the Hui Board as the corresponding secretary and was able to participate and help plan many school activities. As a retiree, I would like to continue being a volunteer at our school.

Aly Miles

Aly is a parent of two students of Mililani Uka. She has been an active volunteer. She was formerly the President of Hui O Mililani Uka and most recently the Chairperson of the Fall Fest.

Community Candidates

Lara Hackney

Mrs. Hackney has a son in 5th grade. She is a Registered Dietitian and General Manager over Food and Nutrition Services as well as Environmental Services at Wahiawa General Hospital. Mrs. Hackney has served as a Parent Member for the School Community Council (SCC) for the past four years. She has also been the lead Nutrition Docent with Aina in the schools for the past five years with second and fifth graders. It has been extremely rewarding for her to pass the knowledge of how nutrition is an important part of children's education and health. Volunteering for Mililani Uka Elementary has been an important part of her son's experience and also being there to support those who are an integral part of the student's education.

While continuing on as a community member of the SCC, she would bring community thoughts to the table for discussion and assist with positive improvements towards the children's education. It is critical to work together with the principal and other SCC members to make the difference in Mililani Uka's goals for the future.

June Kasaoka

June is a former Mililani High School teacher who retired after teaching 35 years.

Advisor of the MHS Interact Club- As advisor I attended and coordinated the High School students as they volunteered at various elementary schools in Central District. The Interact Club provided student volunteers for Mililani Uka's Fall Fest as well as other school events for over 10 years.

As a rotary volunteer, I have participated in the Keiki Vision Screenings and Third Grade Dictionary presentations at MUES for several years. Next year, I am looking forward to be the incoming President of the Rotary as we continue to seek opportunities for the Rotary to support the schools in Mililani.

My many years volunteering at Mililani Uka Elementary has provided me with wonderful experiences working with your students and staff. As a former educator, I would like to continue volunteering to help schools. Should I be elected I would be honored to be a part of the Mililani Uka SCC.
